When making your New Year's resolutions this year, don't forget to make them for your pet as well! Here are some goals for 2009.

1. **Weight Control:** a pet that is overweight has an increased chance of developing things like arthritis and diabetes. Monitor your pet's weight with your vet and watch those treats!
2. **Dental Cleaning:** Bacteria from teeth and gums can enter the blood stream and cause damage to internal organs. Talk to your vet and schedule a cleaning if necessary.
3. **Heartworm/Flea Prevention:** Creepy critters can lead to severe health problems. Talk to your vet before starting any medication.
4. **Microchip/ID Tags:** Microchips are registered with your info and can ID your pet if they become lost even without a collar. Many vets offer this service. Ask today!
5. **Quality Time:** Snuggles, kisses, fetch...whatever it is - do more! When you can't be there, Sniffles and Friends is here to make sure your loved ones are well taken care of.

HAPPY NEW YEAR!!!

We know you have silly and sweet holiday pictures of your pets and we want to share them with the Sniffles community!

Please send us photos of your pets for our website photo gallery. You can send them to:

Sniffles' Treat of the Month For Pets

Something Soft and Snuggly for the Holidays:

3 (2 1/2 oz. each) jars of baby food;
either beef or chicken
1/4 cup Dry milk powder
1/4 cup Wheat germ or cream of
wheat

Combine all ingredients in bowl and mix well. Roll into small balls and place on well-greased cookie sheet. Flatten slightly with a fork. Bake in preheated 350F oven for 15 minutes until brown. Cool on wire rack. Refrigerate to keep fresh or freeze.
